Advance Topics
(Consolidation + Non-Consolidation)
4 sessions (12 hours) by Phei Koid

For Core Package only

M11 now examines certain consolidation and non-consolidation topics to a highly advance level. These Advance Topics sessions cover more in-depth level application for such topics and also help students prepare for more unexpected topics. Phei will use exam focused notes, New QP & Old QP past papers and practice questions from other examinations.

Core Concepts Course – 12 sessions (36 hours)

Course covers financial reporting standards and basic consolidation concepts most relevant to the Dec 2023 diet, with notes updated for any changes in the HKFRSs to comply with the HKICPA examinable standards for Dec 2023.

Core Practice Course – 12 sessions (36 hours)

Course covers questions from the New QP M11 past papers and Pilot Paper as well as Old QP past papers adapted to reflect the New QP examination style. A take-home mock exam with free marking of answer script, mock review and CoreTips on the hottest topics for M11 Dec 2023 are included.

NEW!!!

As M13 now requires more and more understanding of M11 concepts, the Advance Topics sessions by Phei Koid will give you a good grasp of key M11 relevant to the M13 exam and how to apply M11 concepts in the M13 exam.

Core Concepts Course – 9 sessions (27 hours)

Course covers auditing standards most relevant to the Dec 2023 diet, with notes updated for any required changes in these HKASs to comply with the HKICPA examinable standards for Dec 2023. Phei helps students get a solid understanding of the audit workflow and key audit concepts so that students can apply their understanding to complex case studies in the exam.

Core Practice Course – 8 sessions (24 hours)

Course covers the M13 pilot paper and past paper questions from the New QP as well as questions from the Old QP past papers appropriately adapted to reflect the New QP examination style. Phei helps students analyse complex exam requirements and covers exam answering technique and writing skills critical to passing the M13 paper. A take-home mock exam with free marking of answer script, mock review and CoreTips on the hottest topics for M13 Dec 2023 are included.
