Integration across topics

PASS = Phase 1 Baseline + Phase 2 Hot Topics + Phase 3 Booster Topics

Phase	Content	Materials	Teaching Style
Phase 1 Baseline	The Professional Level Module 11 paper now increasingly tests foundational baseline concepts that are frequently tested at the Associate Level Module 6 paper. Phase 1 of our New M11 Course Structure covers such key baseline concepts and past paper practice drawn from the Module 6 syllabus.	✓ Concepts notes and updated for latest amendments applicable to Dec 2026 examination	• Highly exam-focused teaching style that effectively addresses the HKICPA Open-Book Exam requirements, with emphasis on understanding and exam techniques • Course notes are optimised for the Open Book Exam with a "Plug and Play" approach – students can easily adapt course notes to tailor their answers to many types of case questions • Using an integrated approach, Phei makes highly accurate exam topic predictions, which are released to students throughout the course
Phase 2 Hot Topics	Phase 2 covers all QP Module 11 Hot Topics released by the HKICPA for Dec 2026.	✓ Past Paper Questions ✓ 2 Mock Exams	
Phase 3 Booster Topics	Phase 3 covers • 'Hidden hot topics' that are likely to be examined in Dec 2026 • 2 Mock Exams • Core Tips listing topics most likely to be in the Dec 2026 exam • Zoom Study Group	✓ Core Tips
